Jeff George, 1985

In the past eight years, we have honored some truly memorable Dial Award winners. From Herschel Walker, the 1982 Heisman Trophy winner, to Cheryl Miller, who played on the gold-medal-winning basketball team in the '84 Summer Olympics.

With this year's Dial Awards, we continue to recognize America's young athletes for outstanding performance. And tonight, we look forward to adding two more names to our elite list of unforgettable athletes.
